

About ASP

Appalachian Service Project provides one of the most rewarding structured service opportunities in the nation—bringing thousands of volunteers from around the country to Central Appalachia to repair and replace homes for low-income families.

The love of Christ

The most rewarding part of this trip is developing relationships with the families while working on their homes. Seeing first-hand the impact of the home improvements on these families is truly life changing and an experience that will never be forgotten. Every day on ASP, we are reminded that the love of Christ is in all of us.

Please consider helping our team!

Serving our local community and in Appalachia...

September through May, the St. Francis de Sales ASP team participates in monthly service projects, including wheelchair ramp builds, volunteering at the Christian Shelter and more in our local community. Our year of service will culminate in a week long trip to Appalachia in June.

To cover the costs associated with our trip, each member must raise \$400 to help fund building materials and travel expenses. Our goal is to raise much more! Extra funds will be used to purchase much needed items for the families we serve in Appalachia.

Please consider sponsoring our trip! Any donation would be greatly appreciated—just cut off the form at the bottom of this letter. If you are unable to make a monetary donation at this time, you can still help praying for a safe and successful trip for our team. Donations are tax deductible.

Yes! I would love to sponsor _____

Name _____ Amount _____
